San Carlos Airport is about 20 miles south of SF on the peninsula. Cab fare is around \$60 to \$70 one-way. Or you could arrange a limo service. No landing fees. Jet A and I think \$20 a night for tie-down. The Airport Ops number. 650-573-3700. They'll be more than happy to answer any

Fog burns off early depending on time of year. I have been commuting into OAK every week for the last few years and have always been able to land.

Landmark is great with fair prices. Norm is the general manager and is a class act. They have a BART station. (5 mins away)

All round great experience

[quote]For downtown San Francisco and Berkeley, you probably would like Oakland best (KOAK). Easy in/out, good approaches, plenty of runway, and you can get the FBO to drop you off at the BART station to get downtown or to Berkeley. I haven't checked on fuel pricing, and it's been quite a while since I was there, but I don't think it's too bad.
