All,

As a means of making it easier to find other MU-2 Members, I asked Dave Klain if I could make a suggestion to all of you. Here is the suggestion: In Trips/Pireps, post a new Topic that includes your airport identifier and tail number and a way of getting in touch with you (if you are ok with being contacted). By doing this, it will make it easier for all of us to reach out to one another. SO.... I'm going to start.

I am based at KSUS and I am the new owner (as of Nov 20, 2015) of N11SJ, which is a 1974 K Model.

I'd love to connect with anyone coming through KSUS for a fuel stop or for a few days. Depending on when you come through, I may have hangar space for you.

Feel free to text or call anytime.
