I have a 1976/2012 Piper Aztec that I have completely redone with new Paint, interior, avionics, engine overhauls, etc. I love the plane but am looking to upgrade to an MU-2, so if there is anyone out there who would like to consider a trade please see the listing below.:

<http://www.controller.com/listings/aircraft/for-sale/1412565/1976-piper-turbo-aztec-f?OHID=1412565&pcid=1269265>

Thanks,

Bob Coles
